- Switching Power Supply
- Power Supply For CCTV
- Power Supply For Access Control
- Power Supply DIN Rail

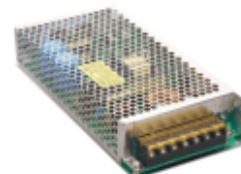

Switching Power Supply

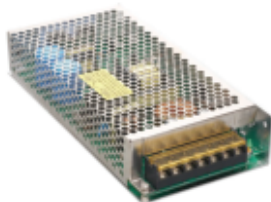

Switching Power Supply 12V, 3A

Switching Power Supply 12V, 5A

Switching Power Supply 12V, 8.5A

Switching Power Supply 12V, 10A

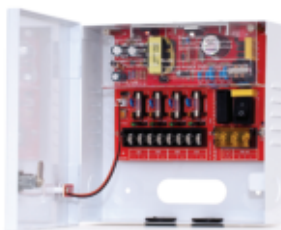

Switching Power Supply 12V, 12.5A

Feature

Enclosed type series, for indoor use only, can apply on CCTV system, indoor lighting application, medical equipments, are most widely used series for indoor applications.

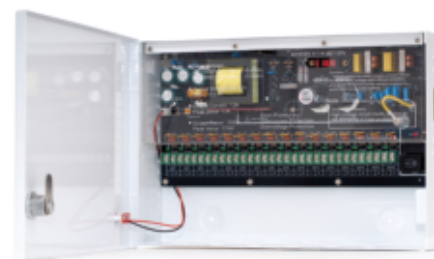

Power Supply For CCTV

12Vdc 3Amp 4Way CCTV power supply
